The diagram illustrates the first seven positions of a guitar neck, starting from the 1st position (fret 0) at the top and moving down to the 5th position (fret 4) at the bottom. Each position is shown on a separate horizontal staff. The staff begins with a treble clef and a key signature of one sharp (F#). The strings are represented by horizontal lines, and the frets are indicated by vertical tick marks. Fingers are numbered 1 through 6 above the staff, corresponding to the left-hand fingers: index (1), middle (2), ring (3), pinky (4), thumb (5), and another index (6). Boxed numbers 1 through 30 indicate specific fingerings for each note. The notes are primarily open strings (unfretted) or single-note chords. Position 1 starts with an open string (index 1 on the 6th string). Position 2 starts with index 2 on the 5th string. Position 3 starts with index 3 on the 4th string. Position 4 starts with index 4 on the 3rd string. Position 5 starts with index 5 on the 2nd string.

The image shows five staves of guitar tablature, each starting with a treble clef. The first staff begins at the 4th fret, the second at the 2nd, the third at the 1st, the fourth at the 3rd, and the fifth at the 4th. Each staff contains 30 numbered fret positions (1 through 30) indicated by boxes above the strings. The numbers correspond to the following fret positions:
Staff 1: 1 (4th), 2 (2nd), 3 (1st), 4 (3rd), 5 (2nd), 6 (1st), 7 (4th), 8 (1st), 9 (2nd), 10 (1st), 11 (2nd), 12 (3rd), 13 (3rd), 14 (2nd), 15 (1st), 16 (2nd), 17 (1st), 18 (2nd), 19 (2nd), 20 (1st), 21 (1st), 22 (1st), 23 (2nd), 24 (1st), 25 (4th), 26 (3rd), 27 (4th), 28 (3rd), 29 (2nd), 30 (4th).
The tablature uses a combination of open strings and fingerings (1, 2, 3, 4) to represent the frets. The numbers in the boxes likely indicate specific fingerings or note values.
